## About Me

I am currently pursuing a Bachelor of Science in Computer Science & Engineering at Daffodil International University, where I am in my fourth semester. With a strong foundation in technical skills and a proficiency in Microsoft Word, I am both dedicated and detail-oriented in my academic and project work. My education and hands-on experiences have equipped me with a solid understanding of computer science principles, fostering my ability to solve complex problems efficiently and effectively. Committed to continual growth, I actively seek opportunities that challenge me to use and expand my skill set in the dynamic field of technology.
